A Texas family is crediting their pet goose for alerting them to a barn fire earlier this month, helping to save their hatchery's 100 chickens and turkeys.

Chelsea Gerber and her husband, Bert, said their pet goose — named Goosey — started honking loudly in the early morning hours of Aug. 3.

More than 100 people have been killed in a landslide at a mining site in Zamboï, a locality on the border between Cameroon and the Central African Republic. It is not immediately clear what triggered the landslide. Videos circulating online appear to show the soil collapsing on several artisanal gold miners present at the site. Rescue efforts are reportedly underway amid fears the figures are expected to rise.

At first, the post-EDSA ABS-CBN TV network started broadcasts at 8:30a then later 7, then 9, then 7:30, then 10 and then 9:30a all before settling to 5:30 and earlier.

Though nung mga nag-9:30 ba sila, they opted to be on the air earlier than that for various coverages, with the '92 Olympics for one.

And to think that the other later TV broadcast start times were happening nung uso pa ang blackouts back sa Cory admin. 😅😅😅

MGA TALATANG
PAULIT-ULIT
NA BINABALUKTOT LABAN SA ISLAM
MALING PAG-UNAWA
Huwag husgahan ang Qur'an sa putol na sipi. Basahin ang buong talata, konteksto, at paksa.
MGA PAULIT-ULIT NA PARATANG
VS
ANG TOTOONG KONTEKSTO
1 "72 VIRGINS" QUR'AN 9:111
WALANG SINABING "72 VIRGINS" SA 9:111. Ang talata ay tungkol sa sakripisyo at paghihintay ng gantimpala sa Allah. Walang bilang na "72" sa talatang ito.
2 "PATAYIN ANG UMAALIS SA ISLAM" QUR'AN 2:217
HINDI UTOS NA "PATAYIN ANG APOSTATE". Ang 2:217 ay tumatalakay sa pakikipaglaban, pag-uusig at pagtalikod sa pananampalataya. Sinasabi dito ang kahihinatnan, hindi utos na pumatay.
3 "PUTULAN NG ULO ANG NON-MUSLIMS" QUR'AN 8:12, 47:4
TUNGKOL ITO SA LABANAN, HINDI SA LAHAT. Ang mga talata ay nasa konteksto ng digmaan laban sa mga kaaway. Hindi ito utos na pugutan ang lahat ng non-Muslims.
4 "KILL AND BE KILLED FOR ALLAH" QUR'AN 9:5
KONTEKSTO: MGA LUMABAG SA KASUNDUAN. 9:5 ay tumutukoy sa mga paganong lumabag sa kasunduan at patuloy na umaatake. At 9:6 mismo ay nagsasabing bigyan ng proteksiyon ang sinumang humingi ng proteksiyon.
5 "TERRORIZE NON-MUSLIMS" QUR'AN 8:12, 8:60
MILITARY DETERRENCE, HINDI PAGTERROR. Ang 8:60 ay nagsasabing maghanda kayo ng lakas laban sa kaaway upang hindi kayo atakehin. Depensa ito, hindi terorismo.
6 "MAGNAKAW SA NON-MUSLIMS" QUR'AN CHAPTER 8
TUNGKOL SA SPOILS OF WAR, HINDI PAGNANAKAW. Ang tinutukoy ay mga nakuhang yaman sa makatarungang digmaan ayon sa batas, hindi magnakaw sa ordinaryong non-Muslim.
7 "MAGSINUNGALING PARA PALAKASIN ANG ISLAM" (TAQIYYAH) QUR'AN 3:28, 3:54, 9:3, 16:106, 40:28
HINDI UTOS NA MAGSINUNGALING. Hal. 16:106 ay tumutukoy sa taong pinilit magsalita habang ang puso niya ay naniniwala. Iba ito sa blanket permission na magsinungaling.
ANG QUR'AN AY HINDI BINABASA SA PUTOL-PUTOL NA TALATA.
KONTEKSTO ANG SUSI SA KATOTOHANAN.
BAKIT MADALAS NA BINABALUKTOT?

Pinag-aaralan ng Cybercrime Investigation and Coordination Center na irekomenda ang pag-ban sa Facebook sa bansa kung hindi pa rin susunod ang Meta sa mga patakaran at batas ng Pilipinas.

Iginiit sa DZMM ni CICC Executive Director Usec. Renato Paraiso na dapat respetuhin din ng mga platform ang mga panuntunan sa bansa kung saan din sila kumikita lalo sa mga pagkakataong may sensitibong insidente na kailangan ang kanilang kooperasyon.

Una nang sinita ng Senado ang Meta matapos hindi agad matanggal ang video ng pamamaril sa Ateneo de Zamboanga University.

Wala rin kinatawan ng platform na dumalo sa pagdinig.

SMILE MEDIA GROUP OFFICIAL STATEMENT

We are once again addressing the unauthorized use of SMILE Media Group and NewsRadio Philippines names, logos, and branding by Dominique Canio (aka Doms Canio, Dominique Resuma Canio, and Toto Dominique.)

We recently became aware of another poster created and circulated by Mr. Canio that uses the official logos of SMILE Media Group and NewsRadio Philippines without the knowledge or authorization of our management.

To be clear: Mr. Canio is not authorized to represent SMILE Media Group NewsRadio Philippines, or any of our programs, personnel, or operations.

This is not the first time this has happened. We have previously communicated directly with Mr. Canio and formally asked him to stop using our names and branding in a way that could suggest an official affiliation. Despite that notice, another unauthorized material has been produced.

We have also reached out to his family in an effort to resolve this matter p… peacefully, but we have not yet received a

2026-08-22 11:36:34

We have also documented a broader pattern in which Mr. Canio has presented himself as affiliated with various media networks and has promoted purported radio stations in Himamaylan, Negros Occidental. Based on our verification, these claimed affiliations and stations could not be independently established as legitimate operating media organizations. Mr. Canio is likewise NOT AN AUTHORIZED MEMBER, REPORTER, CORRESPONDENT, OR REPRESENTATIVE OF SMILE MEDIA GROUP OR NEWSRADIO PHILIPPINES.

We understand that Mr. Canio may have personal circumstances that affect how he understands or responds to situations like this. However, those circumstances do not authorize anyone to use our identity, represent our organizations, or disregard formal notices. Everyone is expected to respect the law and be accountable for actions that may violate the rights of others or applicable laws.

Our concern is not his interest in media, journalism, radio, or broadcasting. We welcome people who support and follow our work. The issue is the repeated representation of an affiliation that does not exist.

We therefore remind the public that the use of our logos does not mean that a person or material is officially affiliated

work. The issue is the repeated representation of an affiliation that does not exist.

We therefore remind the public that the use of our logos does not mean that a person or material is officially affiliated with SMILE Media Group or NewsRadio Philippines. Please verify any claimed affiliation through our official channels.

We are documenting this latest incident and will take appropriate steps to protect our brands, our people, and our organizational identity.

Ang huling liham ni Tito Ninoy kay Tita Cory.

My Dearest Cory,

In a few hours I shall be embarking on an uncertain fate, which may well be the end of a long struggle. I slept well last night for the first time since I left Boston - maybe because I'm just plain tired or I'm really at peace with myself. I want to tell you many things but time is running out and I do not have any machine. After a few more paragraphs, my penmanship will be illegible.

All the things I want to tell you may be capsulized in one line - I love you! You've stood by me in my most trying moments and there were times I was very hard on you. But if anyone will ever understand me, it is you, and I know you will always find it in your heart to forgive - and unfair and ironic as it is - it is because of this thought and belief that I often took you for granted.

Early on I knew I was not meant to make money - so I won't be able to leave anything to the children. I did what I thought I could do best, which is public service, and I hope our people in time will appreciate my sacrifices. This would be my legacy to the children. I ma

Early on I knew I was not meant to make money - so I won't be able to leave anything to the children. I did what I thought I could do best, which is public service, and I hope our people in time will appreciate my sacrifices. This would be my legacy to the children. I may not bequeath them material wealth but I leave them a tradition which can be priceless.

I realize I've been very stingy with praise and appreciation for all your efforts - but though unsaid - you know that as far I'm concerned, you are the best. That's why we've lasted this long. There will only be one thing in the world I will never accept - that you love me more than I love you - because my love for you though unarticulated will never be equaled.

If all goes well I should be back in my cell before sundown. Should I be detained do not rush to get home. Take your time and enjoy a side trip to Europe with the girls. I'll try to call you tonight if the authorities will allow me.

Otherwise just remember me in your dreams.

Love, **Ninoy**

P.S. I offered a special rosary for Papa and I asked for his intercession. You know he never failed me.

14-YEAR-OLD STUDENT FOUND WITH .357 REVOLVER AT PINAMUNGAJAN SCHOOL

A 14-year-old student was found carrying an unloaded .357 Smith & Wesson Magnum revolver inside Lut-od National High School in Barangay Lut-od, Pinamungajan, Cebu, on Thursday afternoon, August 20.

The firearm was discovered by the student's Grade 9 adviser during a surprise inspection of students' school bags as a precautionary measure.

The teacher immediately informed the school head, who sought police assistance from the Pinamungajan Municipal Police Station.

Responding officers recovered the .357 Smith & Wesson Magnum revolver with no ammunition from the student's school bag.

Police said the student, classified as a Child in Conflict with the Law (CICL), allegedly took the firearm from a cabinet at their home. According to investigators, the firearm belonged to the student's grandfather and had been stored inside the cabinet.

The minor was accompanied b

grandparents, who are residents of Purok Santol, Barangay Lut-od. His mother reportedly works in Cebu City, while his father works in Manila.

The student was turned over to the Municipal Social Welfare and Development Office (MSWDO) while police continue their investigation.

Cebu Police Provincial Office Director Police Colonel Abubakar Udang Mangelen Jr. commended the school personnel for their vigilance and prompt coordination with authorities.

"This incident demonstrates the importance of vigilance and proactive safety measures inside our schools. We commend the school personnel for immediately reporting the discovery and seeking police assistance. Their prompt action helped ensure that the situation was contained before it could potentially lead to harm," Mangelen said.

Mangelen said the CPPO will continue to strengthen police presence and coordination with schools across Cebu province.

Security measures in schools across the province have been heightened following the August 18 shooting at Ateneo de Zamboanga University that left two people dead.

Security measures in schools across the province have been heightened following the August 18 shooting at Ateneo de Zamboanga University that left two people dead.

The intensified security measures are also in line with the directive of Cebu Governor Pamela Baricuatro.

DASMARIÑEÑOS, HANGGANG KAILAN IISA ANG APELYIDONG NASA PODER?

Hindi personal ang tanong na ito laban sa mga Barzaga. Democratic question ito.

For nearly three decades, the Barzaga name has been deeply entrenched in the politics of Dasmariñas. Nagpalitan ang mga miyembro ng pamilya sa mayoralty, congressional seat, at iba pang pangunahing posisyon. Sa isang lungsod na may daan-daang libong mamamayan, kailangan nating itanong: healthy pa ba para sa democracy na parang iisang pamilya na lamang ang default na pinanggagalingan ng kapangyarihan?

Hindi naman nangangahulugan na masama agad ang isang kandidato dahil Barzaga siya. Pero hindi rin qualification ang apelyido.

Ang public office ay hindi family inheritance.

At ito ang mahalagang punto: political dynasties are dangerous not simply because magkakamag-anak ang mga kandidato. Delikado sila dahil habang tumatagal ang isang pamilya sa poder, naiipon sa kanila ang political machinery, connections, name recall, patronage networks at incumbency advantage. Ang resulta, lalong nahihirapan ang ibang k

mamamayan na makipag-compete.

At ito ang mahalagang punto: political dynasties are dangerous not simply because magkakamag-anak ang mga kandidato. Delikado sila dahil habang tumatagal ang isang pamilya sa poder, naiipon sa kanila ang political machinery, connections, name recall, patronage networks at incumbency advantage. Ang resulta, lalong nahihirapan ang ibang kwalipikadong mamamayan na makipag-compete.

At kapag mahina ang competition, humihina rin ang accountability.

Kaya mahalaga na seryosong tingnan ng Dasmarineños ang mga alternatibo, kabilang si Rex Mangubat, na ayon sa online preference survey na kumakalat ay siyang pinakamalapit na challenger kay Jennifer Barzaga.

Hindi dahil dapat automatic na piliin ang kalaban ng isang dynasty.

Kundi dahil democracy works best when incumbents and political families know that their positions are never guaranteed.

Tanungin si Mangubat: Ano ang record niya? Ano ang plano niya? Ano ang kaya niyang gawin na naiiba? Kaya ba niyang maging independent sa entrenched political interests?

At tanungin din si Barzaga: Bukod sa pangalan at political legacy ng pamilya, ano

At tanungin din si Barzaga: Bukod sa pangalan at political legacy ng pamilya, ano ang compelling reason para ipagpatuloy pa ang napakahabang dominance ng parehong dynasty?

Parehong dapat sumagot.

Pero hindi dapat balewalain ang elephant in the room:

Sa isang lungsod na napakalaki, napakaraming propesyonal, negosyante, guro, manggagawa at bagong lider, imposible namang isang pamilya lamang sa loob ng ilang dekada ang may kakayahang mamuno.

Dasmariñas deserves political competition.

Dasmariñas deserves leaders who must continually earn public trust rather than inherit political advantage.

At higit sa lahat, Dasmariñas deserves institutions stronger than any surname.

Dahil lumilipas ang mga politiko.

Ang Dasmariñas, at ang kapangyarihang pag-aari ng mamamayan, ang dapat manatili.

Who killed Ninoy?

It's not a mystery anymore.

More than 40 years ago, the Agrava Fact-Finding Board released its report with the conclusion that the Aquino assassination was a product of military conspiracy. The agents of the Marcos Sr dictatorship conspired to plan and execute the devious plot to assassinate Ninoy Aquino once he stepped foot in Manila.

While the Majority Report, excluding Board chair Corazon Agrava, indicted 25 military men and businessman Hermino Gosuico for the double-murder of Ninoy and his "assassin" Rolando Galman, both the majority and the minority reports nonetheless found the Marcos military culpable for the Aquino-Galman killings.

We released the full version of the Agrava report two years ago. You may read it by visiting **projectgunita.com.**

Mas masaya nga ba ang mga matatanda sa birthday celebration ng anak?

Isang viral post ng Thread user ang pinag-usapan ng mga netizen kaugnay ng birthday celebration ng anak.

“Birthday nung bata pero mas madami pang inuman kesa sa celebration mismo para sa anak,” paunang post ni Thread user Claire.

“Imbes na ung bata ang nag-enjoy, mga matatanda ang masaya. Paldo pa sa usok ng sigarilyo anak mo sa mga bisita mong nag-iinuman,” dagdag nito.

Sumang-ayon ang mga netizen sa nasabing post at ibinahagi ang kani-kanilang mga karanasan sa birthday celebration ng bata.

Isa ang netizen na si Geehanna Mae ang naghayag ng kanyang opinyon.

“tapos patutulugin agad yung bata ng maaga kasi magiinuman pa daw sila. hahahaha. like hello sino ba may bday? kaya pass sa mga handaan talaga. much better kung ano yung gusto ng bata dahil siya may bday,kung gusto nya ng may handaan sa bahay yung wala sanang inuman. atsaka bakit kailangan may

“tapos patutulugin agad yung bata ng maaga kasi magiinuman pa daw sila. hahahaha. like hello sino ba may bday? kaya pass sa mga handaan talaga. much better kung ano yung gusto ng bata dahil siya may bday,kung gusto nya ng may handaan sa bahay yung wala sanang inuman. atsaka bakit kailangan may inuman kapag may handaan?,” sey niya.

“May napuntahan na akong bday party ng bata pero pagpasok ko sa haus nila mga nagma-mahjong at nag-iinuman ang unang bumungad sa akin, 4 na table ata yun. Nagulat ako kasi first time ko makakita ng kiddie party na may nagmamahjong at may mga beer,” kuwento naman ng netizen na si @anastasia_steele806.

Ipinunto naman ng isa pa na mas talamak ito kapag 1st birthday ng bata at isinabay ang binyag nito.

“Like why priority ng asawa(yun iba) na magg ipon ng alak kesa mga give aways sa kids na bumisita? Nakakaloka, kaya sabi ko sa sarili ko, kapag 1st birthday at binyag nitong second child ko. Weather they like it or not. Jollibee o mcdo talaga, nadala na ako sa ginawa nila nung 1st birthday ng 1st born ko. Ayaw ko na,” komento ni @majesticnari.

"1st birthday sabay sa binyag, pinainom namin mga ninong at ninang na nag overnight at dumayo pa galing ibang province pero tulog na si baby non. 2nd birthday, dinner lang with fam. Next year baka kaming tatlo nalang magcelebrate since tatapat sa Holy Week," kuwentong karanasan ng isa pa.

Sa inyong palagay, dapat na nga bang mahinto ang ganitong nakasanayan?

Tabing dagat lang pala noon Ang Baclaran Church lumayo dahil sa reclamation

An old 1932 photograph of the National Shrine of Our Mother of Perpetual Help—commonly known as Baclaran Church—shows a small, rural structure located directly in a quiet fishing village on the shores of Manila Bay. Excerpts from Ninoy Aquino's statement before Military Commission No. 2, August 27, 1973

*****

August 27, 1973
Fort Bonifacio

Military Commission No. 2

Dear Sirs:

I have been in almost solitary confinement, I have suffered terrible loneliness and endured many indignities. My desolation has purged me of all hatted, bitterness and rancor.

That despots should resort to the old device of bogus plots and fake conspiracies to convict their opponents is as old as recorded history. Coercion, violence, human degradation, the total suppression of civil liberties, censorship of the mass media, the wholesale disparagement of politics and political processes, the imprisonment and execution of political enemies, abolition of Congress, and the rule by decree, have been resorted to by dictators on the pretext that such measures are necessary 'to destroy a powerful enemy that threatens the people.'

2026-08-22 12:29:09

Mr. Marcos has grabbed almost unlimited power

Mr. Marcos has grabbed almost unlimited power because he claims the democratic methods bequeathed to us by our heroes and Founding Fathers have become ineffective. He has embarked on the ambitious program of fashioning a New Society where the people must be held together with military discipline and led as if they were a bunch of sheep, too stupid and too blind to be allowed to proceed in the direction of their own choice.

I take it as an article of faith that truth will not come to light in the governance of public affairs without a free press and a free market of ideas. It is my belief that martial rule can only cripple the Filipino — his lofty spirit, his initiative and originality, his moral courage and mental energy, his genius and industry, all the forces that make a nation great and strong. At best, martial rule can only bring about collective mediocrity.

To arrest a man and imprison him in some army camp unless he submits to a life in which ue receives no choice of his goals, to close every door to him but one, no matter how noble and benevolent the motives of those who planned it, is to sin against the truth that he is a man, a being with a life of his own to live. I cannot share such a view.

*****

2026-08-22 12:29:13

I have faith in the Filipino. I believe that with all the resources at his disposal and given the facts and the truth, the Filipino can resolve any difficulty and achieve his vision of a good and just society.

I believe that the Filipino will respond to the call to greatness not by coercion but by persuasion, not by intimidation but through the ways of freedom.

All that I hold sacred, the inherent dignity and worth of every human being, his freedom of thought and speech and press, his liberty to choose — without fear or pressure — the public officials of his own choice, and the great principles of democracy handed down to us by our forebears have all been set aside for the convenience of one man's continued stay in power.

*****

I understand my lawyers have stated before the Supreme Court why a Military Tribunal cannot assume jurisdiction over criminal cases against civilians in times of peace. The whole civilized world recoils at the thought of civilians being dragged before military courts and tried as ordinary criminals.

But there is something that transcends all other considerations, something that

2026-08-22 12:29:16

case against me. Two years ago, on August 24, 1971-three days after the horrible massacre in Plaza Miranda-I was accused and pronounced guilty of the same charges by the President himself, the Commander-in-Chief of the Armed Forces. He could have ordered the charges against me filed with the civil courts since 1971 but he did not. He waited for his own brand of martial law and ordered the creation of military tribunals. With due respect to all of you, how can this Military Commission reverse the President? Even if you want to because of your sense of justice, nonetheless under Presidential Decree No. 39, the President has the power in any case to change of reverse your decision.

*****

Sirs, I know you to be honorable men. But the one unalterable fact is that you are the subordinates of the President. You may decide to preserve my life, but he can choose to send me to death. Some people suggest that I beg for mercy. But this I cannot in conscience do. I would rather die on my feet with honor, than live on bended knees in shame.

My friends and relatives have been harassed. Some have been detained. The witnesses I intend to call are all afraid. I want to save all from further agony.

2026-08-22 12:29:19

My friends and relatives have been harassed. Some have been detained. The witnesses I intend to call are all afraid. I want to save all from further agony.

I have therefore decided not to participate in these proceedings: first, because this ritual is an unconscionable mockery; second, because every part of my being — my heart and mind and my soul — yes, every part of my being is against any form of dictatorship. I agree we must have public order and national discipline, if the country is to move forward. But peace and order without freedom is nothing more than slavery. Discipline without justice is merely another name for oppression. I believe we can have lasting peace and prosperity only if we build a social order based on freedom and justice. My non-participation is therefore an act of protest against the structures of injustice that brought us here. It is also an act of faith in the ultimate victory of right over wrong, of good over evil. In all humility, I say it is a rare privilege to share with the Motherland her bondage, her anguish, her every pain and suffering.

Mother Filipinas once again has been led back to her dark dungeon in chains. Her sons and daughters lie prostrate and defenseless, ruled by decrees and governed once more by the hated law of the might — namely that might makes right.

2026-08-22 12:29:21

Mother Filipinas once again has been led back to her dark dungeon in chains. Her sons and daughters lie prostrate and defenseless, ruled by decrees and governed once more by the hated law of the might — namely that might makes right.

Mr. President, Honorable Members of this Commission, I fully realize the consequences of my decision. You have your own duties to perform, I have my sad fate to meet.

I have chosen to follow my conscience and accept the tyrant's verdict.

I would rather die on my feet with honor than live on bended knees in shame.

May God have mercy on all of us!

Sincerely,
BENIGNO S. AQUINO, JR.

oh umiiyak na naman si JCD PH. ilang beses kita pinact-check, you must accept the facts.

at ilang beses kita sinasabi na RPN-9 is no longer a government-controlled network dahil sa majority ng mga private company including ALC Group under Nine Media Corporation and they were not part of Integrated State Media based sa kanilang portfolio.

also yung sked ng ABS-CBN in 1992, wala ka sa mundong ito nung taon na yun, also kakasilang ko lang sa mundong ito nung taong yung, walang kamuwang-muwang pa, siyempre bagong silang palang.

kaya ikaw krazy kid, makisunod ka sa uso, at OO, MAKABAYAN AKO, tanggap ko yun eh ikaw, bukod sa sarado ang isip mo, bulag ka tas utak-tero sa current status ng dalawang himpilan.

Only rooftops of houses remain visible as homes are buried under lahar and floodwater in Barangay Sta. Fe, San Marcelino, Zambales on Friday, after the Sta. Fe River overflowed amid nonstop rains brought by the southwest monsoon or Habagat.

The Santa Fe National High School was also buried in lahar, which came from Mt. Pinatubo. (Photos by Ryan Baldemor/The Philippine STAR)

'BUMABA KAYO SA HAGONOY'

A tarpaulin containing an open letter addressed to President Ferdinand "Bongbong" Marcos Jr. and DPWH Secretary Vince Dizon is displayed at the Hagonoy Public Market on Saturday.

The town has been submerged for three weeks due to continuous monsoon rains.

The letter calls on the President and the DPWH Secretary to see the situation in Hagonoy amid the ongoing issue of alleged corruption in flood-control projects. (Photos by Michael Varcas/The Philippine STAR)

KAPIESTAHAN NI MARY THE QUEEN 💙

Today, we attended the Holy Mass at Mary the Queen Chapel in Brgy. Lanit, Jaro, as we celebrated their barangay fiesta with our kasimanwa.

On this Memorial of the Queenship of the Blessed Virgin Mary, we remember Mary as the mother of Jesus, who gives love, guidance, and care.

Bilang iloy sang syudad, I hope our people also feel that we are here for them—to listen, understand, and be present. Amo gid ini ang true greatness of service, nga mabatyagan sang aton mga pumuluyo nga ara kita para sa ila. 🙏

please kindly report this krazy kid by spreading false information regarding to current status of RPN-9 which now branded on-air as RPTV and IBC-13.

I stated the facts about RPN's current state as a private company and for IBC-13, they deserve to get a better programming due to a stable budget and a renewed franchise.

hindi magugunaw ang mundo ko krazy kid. if I am working for either RPN (now on-air as RPTV) or IBC, I will slap you in front of their executives.

even "The Best Content Creator" can fact checked me about current status of RPN and IBC, he's in favor on my side, that's the truth.

stop spreading fake news krazy kid.

NATARANTA ANG DEFENSE!

GAANO NGA BA KALAKI ANG ₱125 MILLION IN ₱1,000 BILLS? AI ILLUSTRATION, IPINASOK SA IMPEACHMENT HEARING!
₱125 MILLION. PURO ₱1,000 BILLS.

Kung mahirap i-imagine kung gaano karami ang ganitong kalaking cash, sinubukan ng prosecution na gawing visual ang halaga sa witness stand.

Nagpakita si Atty. Amando Virgil Ligutan ng illustration para matulungan ang hostile witness na si former OVP Special Disbursing Officer Gina Acosta na ma-describe kung gaano kalaki ang volume ng ₱125 million na cash.

Pero nag-object ang defense lawyer na si Atty. Lindon Miguel Bacquel at diretso pang nagtanong: “This is AI-generated?”

“Yes,” sagot ni Ligutan.

This TV had vertical lines all over the screen and no picture. Most people would say the screen is dead. Watch this girl try the tape trick 4 different times until she found the right spot. Persistence paid off - the TV works perfectly again!
